

Goutam Prakash Singh

Front-end | UI Developer

Address Bengaluru, KA, 560100

Phone +91 9886207210

E-mail goutampsingh@gmail.com

8+ years of experience as a **Front-end | UI | Hybrid mobile app developer** with strong can-do-attitude and solid understanding of SDLC, excellent interpersonal abilities, communication and team management skills with an intention to work hard to attain project deadlines under stressful environments. Skilled Web UI Developer adept at reducing the amount of work required of end users to navigate software.

Love to work with new technologies and upskills myself.

I am able to bridge IT and business needs and I have several times demonstrated that I am able to turn IT projects into becoming truly agile. I like to transform visual designs into high performance web or mobile SPAs (single page applications) and love to work with modern technologies.
